Objective:

CFI/CFII and commercial single-engine pilot committed to delivering safe, student-centered instruction and building high-quality flight experience. Brings sound aeronautical decision-making, clear communication, and a professional, safety-first approach while pursuing a career as an airline pilot.

Flight Experience:

CFI, CFII	Total Time:	650
Commercial Pilot: (ASEL)	Pilot in Command:	550
FAA First Class Medical	Cross Country:	240
United States Passport: Current, Unrestricted	Night:	95
FCC Restricted Radio Operators License	Instrument (Sim + Actual):	57

Work Experience:

<i>Flight Instructor</i>	Dec 2025 - Present
Sierra Charlie Aviation	
Guide student pilots in developing professional skills, effective communication, and strong aeronautical decision-making, while maintaining a consistent focus on safety, integrity, and high performance.	
<i>Certified Ski Pro</i>	Mar 2019 - Present
Professional Ski Instructors of America	
Alpine Level 1 Certification. A nationally standardized certification body where certificate holders demonstrate expertise in their technical, teaching and people skills through both written and practical exam settings.	
<i>Ski Instructor</i>	Nov 2018 - Feb 2019
Summit at Snoqualmie	
Taught children aging from seven to nine years old the fundamentals of skiing through play, drills and exploration.	

Volunteer:

<i>Aviation Day</i>	May 2026
Introduced youth participants to the wonders of aviation through the lens of an airline pilot in the Boeing 737 simulator. Guided them through stabilized approach and landing profiles, modeling the safety, professionalism, and clear communication expected of a flight crew.	
<i>Warriors and Quiet Waters</i>	Nov 2020 - May 2024
Led and served in a variety of capacities to help raise money for WQW which raised over \$50,000. Warriors & Quiet Waters empowers post-9/11 combat veterans and their loved ones to thrive and live purpose-driven lives through peak experiences in nature, creating meaningful relationships, and building a strong sense of community.	

Education:

Sierra Charlie Aviation	Nov 2024 - Dec 2025
Integrated Flight Training Program	
Rainier Flight Service	May 2024 - Nov 2024
Flight Training Program (Private Pilot)	
Bachelor of Science, Business	Aug 2020 - May 2024
Montana State University
